

AGAWAM CONSERVATION COMMISSION
January 25, 2018

MEMBERS PRESENT:

Henry Kozloski
Sheryl Becker
Page Fallon
Jill Messick

MEMBERS ABSENT:

Magda Galiatsos
Frank Meagher

Mr. Kozloski called the meeting to order at 6:00 p.m.

PUBLIC HEARING CONT. - Notice of Intent- Lot 27 Barry St.

A new plan was submitted, showing the house moved farther away from the wetland area, as discussed with Mr. Shibley. The leach field is also shown, but the location of the septic tank is not on the plan, and must be added. Mr. Fallon made a motion to accept the plan pending the addition of the septic tank. Ms. Becker seconded the motion.

4 votes in favor, 0 against

ENFORCEMENT ORDER UPDATES

Northwest St. - Kudlic - no update

Main St. - Cirillo- no update

Tannery Rd.- Bruno- Mr. Goddard and the owners were in attendance. Mr. Grandfield, who will be doing the work, was also in attendance. Mr. Grandfield stated that mats would be used, along with a tracked machine that will lift the materials and put them directly into a truck. Material will be removed to Southwick. Mr. Grandfield, stated he would like to start next week, while the ground is cold, and the work will stop if the ground warms up. Mr. Kozloski requested that the Commission be notified when the work begins so a site visit can be set up. Mr. Grandfield has Henry and Page's phone numbers.
