**June 7, 2018 MEETING**

---

**Tom:**

Golf Course lost 4 days of golf in May due to rain. Some of those days fell on the weekends. July 1<sup>st</sup> we should have a new point of sale system.

League play has been good trying to get the women's league back from Oak Ridge. There is no league on Tuesday nights and Monday is small.

This June is better than last fiscal year of June. Looking for a transfer from the council of \$22,650 to help cover costs for payroll.

Golf Now is still strong. Changed the times M-F 1-2:30 and Sat. and Sun. 1-2. Also increased pricing on Golf Now and checking to see where are 10% that is supposed to come from them.

The banquet facility is starting get filled up with more functions.

Would like to offer a green fee cart and sandwich special.

Spoke to Jim Crosby wife and he will not be able to continue on the golf commission.

**Dean:**

Can we look into the New England Golf Magazine that we can add the course as promotional ads? The magazine offers courses that can be played at different times for a set discounted fee. You would need to subscribe and pay a fee in order to receive the magazine.

**Will:**

Can we change the website so when you go to the Agawam Golf course it doesn't bounce back to Golf Now?

**Tom:**

I will look into it

**Will:**

Did you look at outside company to run the web page and did we get control of our Facebook page?

**Tom:**

Haven't looked at our Facebook page.

**Dan M:**

How about being able to finish some of the carts paths that still need to be done.

**Mario:**

Should we have a preventative survey instead of a reactive one? Ask the golfer about their experience at the course.

How about contacting the beautification committee to come and help with flowers on the course.

I will check with them to see if they are willing to help us out.

**Dan Shay:**

I had contacted them in the past.

Dan Michaels made a motion 2<sup>nd</sup> by Mike to approve last meeting minutes all in favor.
