About the Plan

You Are Free to Choose

With this health plan, you may use any Blue Cross Blue Shield participating provider in the United States. In Massachusetts, all general hospitals and most physicians participate with Blue Cross Blue Shield of Massachusetts. There are no deductibles to meet and no claim forms for services you receive in Massachusetts by a participating provider. With your health care plan, there are reasonable out-of-pocket expenses. And, your plan gives you nationwide access to participating hospitals and medical, surgical, and other health care providers.

How To Find a Provider

To find a participating provider within Massachusetts:

- Visit the Blue Cross Blue Shield of Massachusetts website at bluecrossma.com/findadoctor and select the indemnity network
- Call the Member Service number on your ID card.

The BlueCard® Program

The BlueCard Program gives you access to participating providers throughout the United States. There are no claims to submit, no paperwork, and no up-front costs. You need only go to a BlueCard participating doctor or hospital and show your ID card when you need care. If you choose to see a non-participating provider, you may have to file the claim yourself to be reimbursed for your expenses.

Note: participating providers are restricted from billing you for the balance of their charges that exceed the negotiated discount amount except as provided otherwise by law.

To find a participating provider outside of Massachusetts or to check a provider's current status:

- Call **1-800-810-BLUE (2583)**. Have your ID card ready. If you have not received your ID card, let the representative know that you are looking for participating providers in your area.
- Visit the Blue Cross Blue Shield of Massachusetts website at bluecrossma.com/findadoctor and select the indemnity network.

Note: If you are outside the United States and need medical care, call **1-800-810-BLUE (2583)**. A medical assistance coordinator, along with a nurse, will make a doctor's appointment for you or arrange for hospitalization if necessary.

Your Out-of-Pocket Maximum

Your out-of-pocket maximum is the most that you could pay during a plan year for copayments (including prescription drug copayments) and coinsurance for covered services. If you are not sure when your plan year begins, contact Blue Cross Blue Shield of Massachusetts. Your out-of-pocket maximum **\$5,000** per member (or **\$10,000** per family).

Emergency Room Services

In an emergency, such as a suspected heart attack, stroke, or poisoning, you should go directly to the nearest medical facility or call **911** (or the local emergency phone number). You pay a copayment per visit for emergency room services. This copayment is waived if you are admitted to the hospital or for an observation stay. See the chart for your cost share.

Utilization Review Requirements

You must follow the requirements of Utilization Review, including Pre-Admission Review, Pre-Service Approval for certain outpatient services, Concurrent Review and Discharge Planning, and Individual Case Management. For detailed information about Utilization Review, see your subscriber certificate. If you need non-emergency or non-maternity hospitalization, you or someone on your behalf must call the number on your ID card for pre-approval. If you do not notify Blue Cross Blue Shield of Massachusetts and receive pre-approval, your benefits may be reduced or denied.

Dependent Benefits

This plan covers dependents until the end of the calendar month in which they turn age 26, regardless of their financial dependency, student status, or employment status. See your subscriber certificate (and riders, if any) for exact coverage details.
