Dear Mayor Cohen,

We would like to inform you that in the coming weeks HAP, Inc. (“HAP”) will be proceeding with the demolition and removal of structures located at 586 Mill Street in Agawam. There has been an ongoing effort and considerable investment by the Town of Agawam to address blighted properties. In order to support these efforts, we have contracted with a local, Springfield-based company to have the vacant and dilapidated structures located on the 586 Mill Street site removed.

While HAP has made it a priority to remove the existing vacant buildings, please note that any new construction at the site remains several years away.

Sincerely,

Carolyn Shiel
Project Manager & Staff Attorney
