SEWER RATE SCHEDULE

The Department of Public Works hereby announces that the following sewer rates and charges will be applied on the issuance of bills based on meter readings taken on or after May 1, 2008.

BILLS ISSUED SEMI-ANNUALLY

Residential: \$ 2.40 per 100 Cubic Feet
 (Rate calculated at 90% of water use)

Industrial and Commercial: \$2.40 per 100 Cubic Feet

Minimum Charge of \$24.00 for any billing.

A flat rate of \$216.00 per year per dwelling for users without water service which is equivalent to a yearly discharge of 9,000 cubic feet,

The above charges were approved by the Agawam Town Council (TR-2008-29) at a meeting held on June 16, 2008.
